Schmutzfang Turmalin - 622

Schmutzfang Turmalin - 622 | 622

The Turmalin series mats are available in 3 colors and, thanks to their mottled surface, they are particularly resistant to soiling. They reliably absorb dirt and moisture and always remain in place due to their non-slip vinyl backing. Another advantage of these mats is their additional suitability for commercial properties.

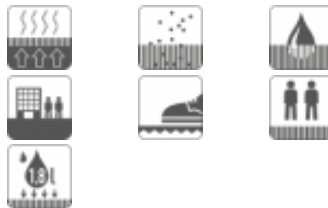

Turmaline is available in 2 sizes and as rolls. For rolls, the manufacture of cut edges is possible.
