

BORDÜREN

BORDERS / BORDURES

MADE IN GERMANY

Die Bordürenteppiche werden in unserer hauseigenen Konfektionsabteilung nach Ihren Wünschen vernäht. Ein echtes Stück Handarbeit, das nach dem Zuschnitt Ihren Teppich veredelt. Durch die eigene Fertigung sind Bordürenteppiche schon nach einer Woche lieferbar.

All the bordered rugs are manufactured in our own factory according to your wishes. A real piece of hand-work, customised to your specification. By controlling the manufacturing process ourselves we are able to supply all bordered rugs in one week from receipt of your order.

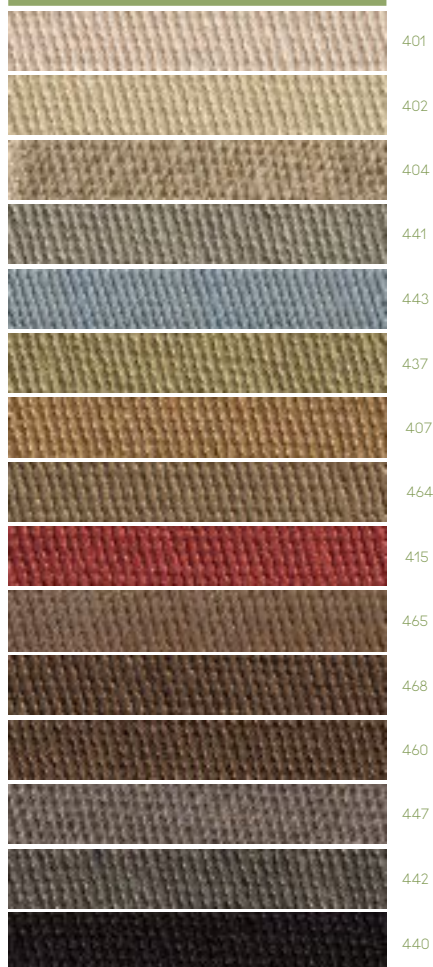

Les bordures de nos tapis sont cousues dans nos propres ateliers de confection selon vos souhaits. Un vrai travail manuel qui donne toute sa valeur au tapis. Les tapis bordés sont réalisés en une semaine.
